

NYDC Financial Help – Fees Scholarships & Travel Bursaries

NYDC scholarships are available to ensure that no young person will be deterred from applying for or accepting membership of NYDC. In making such scholarships available to individual students, the needs of the individual young person are put first. These will be outlined in personal learning plans that will be agreed by the company member, parents and teachers. Please find the full breakdown of the scholarships below.

Will I have to take a test/ audition for the scholarship?

By the offer of membership, you have already shown a strong aptitude for dance and the potential and commitment to maximise the NYDC offer. All scholarship applications will be assessed by an independent Financial Assessor, using the framework below. Application information will be sent to final Company members once they accept their place.

What about where I live?

You must have been living in the England for at least three years before taking up a scholarship. Special rules apply if you have been temporarily abroad or if you are the child of a worker from certain other European countries.

How much will it cost to join the company?

The full fee per Company member is £480 per year from September 2017 (this includes membership fees, accommodation and food whilst on residency).

How much will the scholarship be?

The maximum scholarship available is £480. Please note – Company member fees are already highly subsidised and do not cover actual costs.

The scholarships will be means-tested. You will not have to make any contribution if your total family income before tax is £29,927 or less (after deducting £1,865 for each dependent child in the family, including the scholarship holder) in the tax year ended 5 April 2017. If your family income is more you will receive a smaller scholarship and you will have to make a contribution, as shown below:

Relevant Income	% of scholarship you qualify for	Scholarship amount	Remaining balance to pay
Up to £29,927	100%	£480	£0

£61,852 to £65,839	10%	£48	£432
Over £65,840	0%	nil	£480

When do I need to pay my contribution?

Payment will be received in three stages (October 6th 2017, February 9th 2018 and May 11th 2018) and the amount to be paid per stage will be agreed depending on your percentage of contribution.

Travel Bursaries

In addition to our scholarships for company members we also have a small amount of funding available to help towards travel costs for dancers. This will be worked out on an individual basis following the same percentage breakdowns as above but also taking into consideration distance travelled to and from the performance venues or residencies. If dancers would like to apply for this then they must contact the Company Manager in advance.

Bursaries are also available to support the cost of travel to the Final Selection Workshop. For further information on this please contact Hannah.kirkpatrick@sadlerswells.com

Please call us on 020 7845 8088 if you would like the information above explained further. No dancer should turn down their place in NYDC due to lack of funding.
